Mr. Joshua Lederberg  
50 Haven Avenue  
New York 32, N. Y.

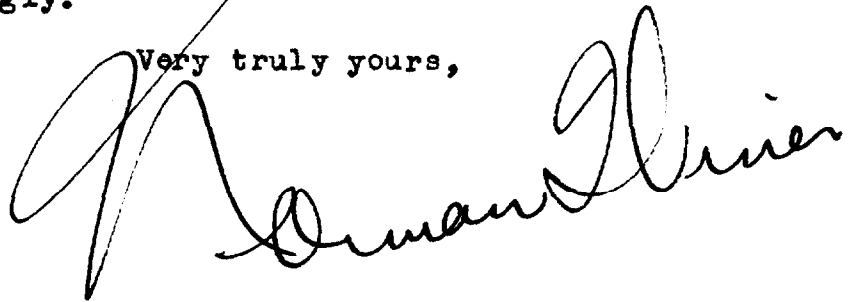

Dear Mr. Lederberg:

I am sorry to say that my trial lasted longer than I had expected and accordingly I have not been in the office to write a check or dictate a letter.

Enclosed herewith is our check in the sum of \$120 in full payment for your research in connection with sulfa.

It may be that I shall have more work for you which will be much less in amount and I shall let you know accordingly.

Very truly yours,

NW:RR  
ENC.
